Sailing on Beautiful Lake Lemon

The BYC is an association of sailing enthusiasts located on the south shore of beautiful Lake Lemon. The club is a family-oriented cooperative. Everyone pitches in to manage the club, host races, plan social events, and maintain the clubhouse and grounds.

The BYC hosts sailing races on Sundays and some Wednesdays. Many other social events take place throughout the year. Members who enjoy sailing without competition have full use of the clubhouse, docks, and boat hoist.

Join us for our next potluck and club meeting, the first Saturday of every month from April through November.

Selected FAQ

Powerboats?

Check out the Lake Lemon Marina. We are all about sailing.

Do I need to be a racer or a seasoned sailor?

Nope! One of our active members had a total of four hours on a sailboat when he joined, now he and his wife own three sailboats between them. He races nearly every week, and crews on his wife's cruiser rest of the time.
